

Dear valued contractor,

Contractor prequalification at Pacific National – introducing BROWZ

Pacific National are introducing a new contractor prequalification program and have engaged BROWZ Australia to manage this program. We are introducing this program to:

1. Ensure we continue to lift compliance to raise our safety standards and ensure everyone gets home safely each day
2. Reduce administrative time for our people and for you our contractors
3. Enable you our contractors to be visible resources across the organisation, so that you can register once online with BROWZ and be in a 'yellow pages' for all of our sites.

We require all contractors and their employees to prequalify to Pacific National's minimum standards prior to being awarded work or coming on site. This is a mandatory program to continue to work with Pacific National.

The benefits to your business:

- **Transparency:** A level-playing field as everyone is assessed against the same transparent minimum requirements prior to being awarded work
- **Efficiency:** Save time and effort as you only need to pre-qualify once and remain up-to date annually
- **Visibility:** If you choose to, your account can be visible to other BROWZ clients potentially increasing your network to gather work (clients such Boral and Lend Lease)
- **Service:** You will have access to your own Supply Chain Specialist to assist you to meet our minimum requirements and remind you when your key documents require updating.

What you need to know:

- You will be required to complete a questionnaire as a part of this process - the content of this questionnaire is determined by the nature of your work.
- Depending on these requirements, the annual fee payable to BROWZ ranges from \$300 to \$600 (ex.GST).

How do you get started?

- BROWZ will be contacting you from next week provide more information and assistance on completing the prequalification process.
- Registration begins 11th July and the deadline to complete is 11th August.

If you have any queries please contact BROWZ on aus.sca@browz.com or 1800751409, option 2.

Pacific National values its relationship with its suppliers and we look forward to working with you in the future.
